"The working of a subaqueous circuit of 2,000 miles is a problem of the highest soientific consideration, and we should be careful in forming conclusions.

Lines constructed through air, suspended on poles, may transmit commercially forty words per minute. The length of a circuit may be 500 miles, and seldem, if ever, 1,-000 miles; in no case, however, in any part of the world has a circuit been operated through air or otherwise a distance of 2.500 miles.

The line from New York to San Fransix to ten circuits, or batteries; but "the objects to being lionized in that way, Atlantic cable cannot be divided into a series of circuits; it must be worked as one unbroken line." We hope Mr. Smarrnen may be mistaken, as we would much like to see cess.

On the contrary, the London Times and N. Y. Tribune speak in terms of the utmost short time now will solve the problem.

We are pleased to notice that the congre gation of Catholics of this city have pura church building. The ground is that formerly occupied by Smith's Hotel, in the 9,000 of their children are attending school, burnt district. They intend to lay the toundation this fall, and erect a fine brick church next spring. We have about forty families in town and vicinity belonging to the congregation. This improvement is another evidence of the thriving condition of our people.

THE OTH CAVALBY, M. S. M .- The 9th cavalry, M. S. M., formerly O. Guitar's regiment, since commanded by Maj. H S, nesses. Glaze, was mustered out on the 13th inst., ry, and through all the engagements with States. Price's last inveding army, and has been one of the most celebrated of our home regiments. Quite a number of the membera gust, to continue three days. from this county and Charitan have arrived at their homes the past week.

NEGROES VOTING .- On the first page we publish an article in relation to pegro suffrage from a Massachusetts paper. The issued at the capital of Massissippi, on the writer of the article though evidently in favor of the negro voting everywhere, in rebellion; the President of the United few weeks since an interview took pleasure of the united few weeks since an interview took pleasure of the United few weeks with the United few weeks were of the United few weeks with the Unite Northern politicians who are so clamorous people will all cheerfully take his oah with lows: Northern politicians who are so clamorous a fixed purpose to observe it in good faith. "Good evening, Mr. President," said for the negro voting in the late Slave States, Why should they now hesitate or doubt Senator Sumner, last week, upon entering than those in the Southern States. · President Johnson takes the right view of this haner to submit without a murmur. The matter, in our judgment, by confining the negroes are free; free by the fortness of turned to Mr. Summer, when the latter right of suffrage exclusively to the white war-free by the proclamation-free by said:

changes speak of it in quite flattering terms new paper to be started in Marshall, Sailan an effort to establish slavery wisre it in their respective localities. Several of line county, to be called the "Saline County" does not exist. Therefore let us eadistly Mr. Sumner these articles we have copied. We notice Progress." We are pleased with the name, unite in our efforts to organize on State your North Carolina proclamation does not also that they have got the "fever" in "Old if the character and spirit of the paper will Government, so that we may, by wise leg-Monroe."
